Microsoft Teams is the software designated by Washington County Courts for Domestic Relations hearings during the judicial emergency arising from the Covid 19 pandemic. Use of this software enables participants to participate fully in the judicial process related to their child and/or spousal support or APL hearing while maintaining safe social distancing protocols.

This software can be downloaded without cost by any participant or accessed directly online without downloading software.

Participants will receive an email at the email addresses they provide with an invitation to join the MS Teams meeting at the date and time specified. The invitation will also include directions and tips for participation in the video conference.
